

## Rockwood Borough

### Meeting Minutes for April 19, 2022

The meeting was called to order at 7:02 p.m. by Amy Jo Stout. In attendance were Caryoln Romesberg, Melissa Cramer, Mike Hutchison, Jim Zieglemier, Chris Sipe, Attorney Ben Carroll, Nancy Sleasman, Officer Robert Clark, and Amy Jo Stout. We also had two guests Shirley Hickman and James Leasock. Kevin Yoder and Samantha Bartko were absent.

Shirley Hickman addressed a sewer issue she had on February 16, 2022. She wants the Borough to pay the Rotor Rooter bill because they told her that the issue, she had was due to the Borough. Chris Sipe had details about the work order and a map drawn so that everyone could see the problem was not the Borough's issue. This was tabled until next month so that Shirley could call and get the video for the work that was done. Rotor Rooter had stated in their bill that they had a camera in the line.

There was no Engineer Report given because Kevin Yoder was absent from the meeting.

Officer Robert Clark attended the first part of the meeting so that he could introduce himself to the new members of the Council. Officer John Loiodici will be returning from his training with his police dog soon.

Chris Sipe gave the Maintenance Report. He let Council know that the Bridge Street Pump Station was back in working order. He also discussed the I & I issue in town. Mike Hutchison suggested dye or smoke testing be done. The sewer line at the grove issue was tabled until next month so that Kevin Yoder could be present for the discussion.

Carroll Law will have the SEP program resolution for the next meeting.

Mike Hutchison made a motion to pay the monthly bills. Jim Zieglemier seconded the motion. All were in favor.

There was a discussion about the speed bump being installed on Water Street. Everyone agreed that it would not be installed.

There was a discussion about the Borough being part of the Community Action Group. The Borough is not part of the Group. They are a separate entity. The same with the Light Up Night Committee. The Borough is not a part of these groups. They fund raise on their own and the Borough is limited in what they do with either group.

Jim Zieglemier made a motion at 8:37 to adjourn the meeting, Mike Hutchison seconded it. All were in favor.
